Welcome, Kids!

Got kids? We've got you covered! Children are welcome to worship with us. We have special bags filled with activities for kids to use during worship by the doors to the sanctuary - feel free to grab one! We also have a nursery available for small children if you wish to utilize it.

Serve in Worship

We believe worship is rooted in community, one in which those who gather are welcome to participate in the worship experience. As part of this belief, we invite you to serve as a greeter, usher, lector (reader of scripture), or communion assistant! Per service, we look to fill an average of 16 worship volunteer roles. For more information on volunteering in worship, contact Dan Bergheim at daniel.bergheim@gloriadeisf.org or visit the Welcome Center following worship.

Dark Matter, Deep Meaning FREE EVENT! Join Deb Wolf from the Sanford Underground Research Facility for an exploration of the universe's deepest mysteries—from dark matter to the quiet world 4,850 feet below the Black Hills. Through stories of cutting-edge research and the big questions that drive scientists, we'll reflect on how curiosity opens doorways to meaning. Following Deb's presentation, Augustana professors Steven Matzner and Richard Swanson will reflect on the scientific work being done and some of the implications for those who take seriously their faith and the world that God has made. Time for conversation with a small group and further questions raised will bring the information we learn together in a meaningful and personal way. RSVP for this great event online or simply join us! This free event is open to ALL!
